Kia ora koutou,

We have been busy!

This week our junior school have had a large group of DPs from other schools visit, engaged in all sorts of exciting learning and are now down at our local Marae for a two day cultural experience. I'd like to offer my particular thanks to everyone involved who have made us feel so welcome.

Our senior students are also busy and I'd like to focus this week on our Food Academy. In this team the group are designing, developing and manufacturing ice cream with the support of expert tutors from the Pacific Coast Technical Institute. The guys and girls are thoroughly enjoying the experience and it's an amazing opportunity for them.

In other matters our Y13 students arrived back from a great camp on Great Barrier Island, our touch team heads to the Waikato champs in Te Awamutu on Sunday with high hopes and our students and staff continue to work hard and play hard.

The College is an exciting place to be and on Wednesday 15th March will be announcing a particularly exciting new project at Business after 5, at the Positive Paeroa offices from about 5.45pm – if you are involved in local business feel welcome to come along to hear all about it.

Other than that, I wish you all well through this turbulent weather!

Nga mihi

Doug Black

The start of the year is already a busy one for Gateway. Lots of students are out in their Gateway placements enjoying real work experience. Thanks to the Companies who have already come on board. And anyone who would like to become involved please contact the college.
