Kia ora koutou,

Some things at College change whilst others stay the same!

This week on Friday we have Top Team and throughout the week we have had the traditional Fiesta Week. These two events have been on the calendar for a long time at the College and both express what is good about what we do. Fiesta Week as many of you know, is a long standing series of events during a week to commemorate Mr. Derek Beisley. Mr. Beisley was an outstanding teacher who loved the outdoors who unfortunately died over 20 years ago. Fiesta week allows us to remember and honour him.

Top Team is an event that is everything about Paeroa College – fun, competitive, exciting and encouraging of deep collaboration and energetic participation. Ava Meek, Dali Tui-Taylor and the team have done an awesome job of setting up the event this year and we are looking forward to it tomorrow.

On other matters, there are a number of events supporting the College coming up: on 4th November we are having a quiz night to support our Australian Tour next year. On the 12th November at the Memorial Hall Paeroa West Rugby Club are entertaining a comedy night which is supporting both the club and our Te Ara Tapu e Tane boys and then later on this year you will see an adult ball being advertised – a chance for you to get your glad rags on.

In sporting matters we were delighted to have 3 representatives selected for the U18 Mixed Touch Team – amazing achievement for Deija Gray, Cam Keeys and Miranda Hodgson. It is easy (given our amazing touch history) to not quite realise what an achievement this is for our students but also for our coaching team. 3 students in a national team from a small college like ours! Excellence in Everything!

We have a school drama production next week. As well as performing to our Primary Schools, Grimm Tales will be available for the public, in B1 at 7.00 on Thursday 27th October – come on down and see what a great job our young actors have been doing. The director of the performance (a Mr. D. Black) has informed me that it is a great show, suitable for kids of 8 or 9 and up.

Finally, Academic Achievement is also looking outstanding – already we have more than half of our Y11 students having achieved Level 1 and we are looking at some very fine results this year indeed: I am very excited about the upcoming prize giving.

Paeroa College is a great place to be!

Nga mihi nui,
Doug Black

Science

The year 9's have enjoyed a week of Science and investigating physical and chemical changes. We also have a Crystal growing competition currently underway. It will be a close competition. It's been a fantastic week of learning for all our budding scientists.

Blue Light Weekend

The adventure challenge weekend was enjoyed by Sidonie Karla, Olivia, Luke, Jaewon, Wiremu and Johnson. They were able to show leadership skills with groups of 11 and 12 year olds

Aussie Trip

If you have any work our students could complete to raise funds for the Aussie trip, could you let us know that would be great. Please contact Jocelyn Hale on extension 206 if you have.

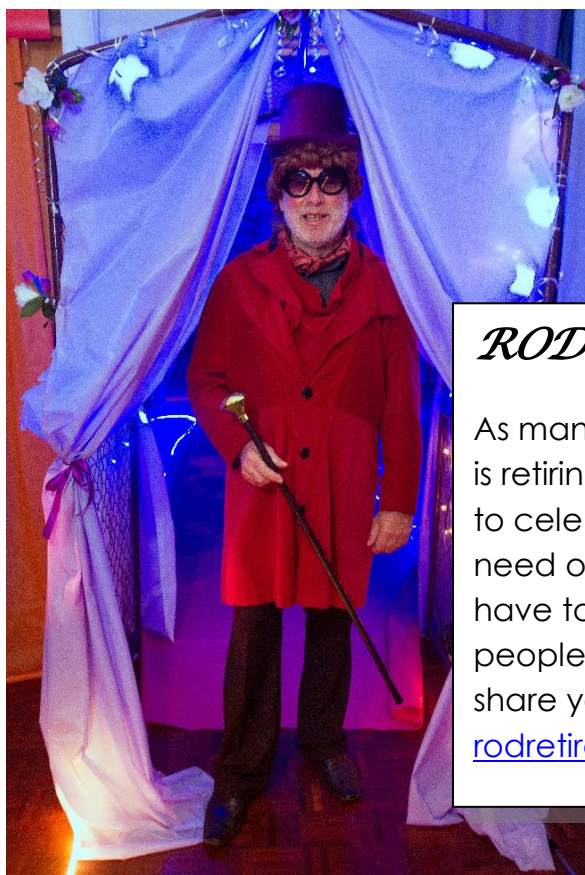

Sports Awards Evening

1st November in the College Hall at 6:30pm. Come along and share in our students' successes.
