Principal's Comment

Kia ora koutou,

Paeroa College is part of the Ohinemuri Kahui Ako. This is a community of 10 schools comprising of our 8 Primary schools, Goldfields School and Paeroa College. On the 5th June we came together to explore some of our identity and to focus on developing even better outcomes for our kids. We are lucky to have such collegial and consistent colleagues and I would like to thank everyone involved for their support.

This ongoing commitment to the concept of our motto: “Mahi Tahi Kia Kaha” has got me thinking recently. The College and the local schools, the College and the community, our students and our teachers: collaboration is not just important but essential. Continuing to work towards building our community, extending its influence, acknowledging our challenges whilst striding forwards to better things is something that we want all of our kids to engage in. Supporting kids to know they have a voice and an influence is transformative as they become adults – so keep on pushing!

In other matters, I'm currently excited about Winter sport and in particular our Rugby teams. Both the first XV and the fourth grade have got off to flying starts and I'm keen to see them continue this. I'd also like to acknowledge basketball and the sheer volume of work that the coaches get through, our netball and soccer teams and all of the rest! We are going hard and flying high.

Finally, spare a thought for our staff. They are a kind, considerate, capable and wise bunch and when you get a moment do let them know you appreciate them!

Nga mihi nui

We currently have a vacancy on our Board of Trustees for a parent representative. Being on the board is a way to have a say and influence in the direction of the school.
