Principal's Message

Ngā mihi mahana ki a koutou katoa, warm greetings to you all,

As we head rapidly towards the end of the term, Alert Level 1 welcomes back the remainder of our students. It is fantastic to see our school buzzing with enthusiastic and energetic learning. Our staff are working hard to support our young people to reignite their love for learning, to revisit their passions and interests and to dig deep into the areas and subjects they are exploring. Many thanks to all of you who came to the college for our HSP meetings; when we work as one, our students definitely know it! Please continue to reassure your children in years 11-13 that, in addition to learning, they **will** earn their NCEA qualifications. All they have to do is come to school. We have individual plans in place to enable every student to experience success. Having said that, it is essential that your child comes to school every day, unless they are unwell. If you have any concerns resulting from the lockdown time, please bring these to your student's dean.

It really is nice to be back into the swing of things here at Paeroa College. With sport practices and extra-curricular activities starting-up, our students are reconnecting in many ways with one another. Please come out and support our students on the field and on the court!

Now is a really good time to create some space at home to discuss the learning that is happening at school. Our re-designed school reports will be posted home at the end of the term, and I encourage you to take some time to reflect on your child's report with them and to set meaningful goals for the remainder of the year. Students will receive a range of feedback from their teachers. We intend for this feedback to create a clear picture of what needs to be learnt and how each student can move their learning forward. Our school reports will also provide feedback on how your child is doing in each class, both in terms of achievement and relative to our school-wide expectations around our treaty, printed at the back of this newsletter. Our treaty was developed earlier this year by our students and staff in collaboration and sets the stage for "how we do things around here". I encourage you to talk about it with your son/daughter.

As always, my door is open. My heart is open. I look forward to seeing all of you in due course.

Nāku noa nā, ngā manaaki,
Amy
Principal/Tumuaki

Academies

A brilliant day on Friday last week with the Café Academy learning how to make pasta. Pictured above Eli, Lily and Robynne.

The Horticulture and the Tikanga Academy spent the day last Friday planting trees on the banks of the Ohinemuri River along with the local EnviroSchools.

NCEA Maths Classes

The Year 12 Maths Class were finally able to celebrate 100% pass rate for Trigonometric Relationships and 100% pass rate for Networks. This is a fantastic achievement after lockdown. Well done to all of you - I am very proud of your hard work.

The first Semester of the Mathematics Building and Construction course at Level 1 was able to celebrate 100% pass rate for the first two Achievement standards in their program - Pythagoras, Trigonometry and Measurement. This was a fantastic start to Year 11 Maths. All of the students should be highly commended on their efforts as many of them had to resubmit 8 weeks later because of lockdown. The second standard has just been completed and again this is at 100% pass rate. This is a huge celebration for us as this learning was done online. We are very proud of the Year 11 Maths class and their motivation and dedication to their course.

Unwanted Bras

Ladies don't send those unwanted bras to the landfill – send them to paradise. Paeroa College is now a drop off point for your unwanted bras. The Uplift Project set up by Liz Baker in 2005 sees her collating unwanted bras and sending them to the ladies in Fiji. Many women in the Pacific Islands often live without a bra. A new one is usually beyond the reach of most women, when their priority is to feed and educate the family. Please drop them into the front office at Paeroa College.
