Introduction

The board of trustees of Paeroa College is focused on the ongoing improvement of student progress and achievement within an environment that provides inclusive education.

Refer to the New Zealand Curriculum, the New Zealand Disability Strategy, and the United Nations Convention on the Rights of Disabled People.

To ensure effective school performance, the board is committed to maintaining a strong and effective governance framework that incorporates legislative requirements and good practice.

Governance and Management

The following are the board's agreed governance and management definitions which form the basis upon which both the working relationships and the board's policies are developed.

Governance	Management
<p>The ongoing improvement of student progress and achievement is the board's focus.</p> <p>The board acts in a stewardship role and is entrusted to work on behalf of all stakeholders. It is accountable for the school's performance, emphasises strategic leadership, sets the vision for the school and ensures compliance with legal and policy requirements.</p> <p>Board policies are at a governance level and outline clear delegations to the Principal. The board and Principal form the leadership, with the role of each documented and understood. The Principal reports to the board as a whole with committees used sparingly and only when a need is identified in order to contribute to board work.</p> <p>The board is proactive rather than reactive in its operations and decision making and does not involve itself in the administrative details of the day-to-day running of the school.</p>	<p>The board delegates all authority and accountability for the day-to-day operational organisation of the school to the Principal who must ensure compliance with both the board's policy framework and the law of New Zealand. [For detail see Operational Policies]</p>

In developing the above definitions for Paeroa College the board is mindful of the following excerpts from the Education Act 1989:

Education Act 1989, (Section 75, 72, 76, 65 and 66)

The Education Act 1989 was revised on 13th June 2013 to better reflect the board's primary focus of student achievement. The legal and prime responsibility of boards of trustees is determined by Section 75 of the Education Act 1989:

s.75 Functions and powers of boards

- (1) A school's board must perform its functions and exercise its powers in such a way as to ensure that every student at the school is able to attain his or her highest possible standard in educational achievement.
- (2) Except to the extent that any enactment or the general law of New Zealand provides otherwise, a school's board has complete discretion to control the management of the school as it thinks fit.

s.72 Bylaws –

Subject to any enactment, the general law of New Zealand, and the school's charter, a school's board may make for the school any bylaws the board thinks necessary or desirable for the control and management of the school.

s.76 Principals –

- (1) A school's Principal is the board's chief executive in relation to the school's control and management.
- (2) Except to the extent that any enactment or the general law of New Zealand provides otherwise, the Principal
 - (a) Shall comply with the board's general policy directions; and
 - (b) Subject to paragraph (a), has complete discretion to manage as the Principal thinks fit the school's day to day administration.

s.65 Staff

....A board may from time to time, in accordance with the State Sector Act 1988, appoint, suspend, or dismiss staff.

s.66 Delegations

- (1) The governing board of a board may delegate any of the functions or powers of the board or the governing board, either generally or specifically, to any of the following persons by resolution and written notice to the person or persons:
 - (a) a trustee or trustees:
 - (b) the Principal or any other employee or employees, or office holder or holders, of the board:
 - (c) a committee consisting of at least 2 persons, at least 1 of whom is a trustee:
 - (d) any other person or persons approved by the board's responsible Minister:

In order to carry out effective governance of the school the board has developed the following policy framework:

Introduction to Paeroa College

Our Vision: Excelling as a courageous, innovative can-do community.

Our Core Value: *Mahi Tahi Kia Kaha*, reflects our belief that hard work and collective effort will benefit everyone

Our Moto: Excellence in Everything

Background: Paeroa College is a decile 2, Year 9-13 state co-educational school in located in the beautiful small town of Paeroa, in the heart of the Hauraki District of the Waikato. We are centrally located within an hour to major cities, beaches and recreational areas. Paeroa College serves a vibrant community with a population of approximately 7000. The school was founded in 1958, although it did exist on the site prior to this date as part of the district school. The people of Paeroa take pride in their community and the school benefits from strong links with the local council, iwi and businesses.

Our school has a strong and caring culture that values academic and personal excellence, the centrality of Te Tiriti o Waitangi, cultural diversity, contribution to the community, innovation and a curriculum that focuses on our learners and what they need to succeed. Our students learn through an innovative student-centred curriculum that includes a focus on individual mentoring and student agency. Our students are proud of their school. This pride is reflected in the welcoming atmosphere and the beautifully maintained buildings and grounds. The school provides an attractive teaching and learning environment. It has a proven history of academic, sporting and cultural excellence.

The school is focussed on providing an education that focusses as much on learning skills and dispositions as it does on knowledge. The intent is to support learners to become independent and skilled at finding, refining, collaborating on and developing knowledge. To support this approach, an innovative curriculum has been developed that provides opportunities for students to pursue their interests, whilst also having targeted programmes and high academic expectations. All school staff work to personalise and localise the curriculum and teachers always collaboratively plan and deliver their programmes with the students in mind. We are relentless in our expectation that all school leavers will have the experience, passion and skill to engage in co-constructed robust post-secondary pathways into the workforce, further training or tertiary study.

Fundamentally, the philosophy amongst all staff at Paeroa College reflects that of our core value – *Mahi Tahi Kia Kaha*. When we share the work we are stronger. We know that, when we take collective responsibility for our students, they fly.

At our core, we are an inclusive, family orientated school of approximately 275 students, with some of these being the third generation of their family to attend the college. Our students come from a range of backgrounds and just less than half identify as Māori with the remainder being almost all Pākehā.

Paeroa College is part of the Ohinemuri Kāhui Ako along with local early-learning centres, 8 contributing full primary schools and Goldfields Special School. There is a Goldfields satellite class on our site, we are the managing school for Thames Valley Alternative Learning service (TVAL), and we are the lead school for the Hauraki RTLB service.

The local Māori community comprises three local iwi: Ngāti Hako, Ngāti Tara Tokanui, and Ngāti Tamaterā.

Unique Position of Māori

Paeroa College: Where Māori enjoy success as Māori

Paeroa College is committed to fostering relationships, policies and practices that reflect New Zealand's cultural diversity and the unique position of Māori as tangata whenua. With a school role that is approximately 47% Māori, Te Reo Māori me ōna Tikanga is embedded as everyday practice in classroom and co-curricular activities.

The Paeroa College explicit and implicit curriculum is designed to:

- integrate our students' identity, language and culture into the life of the school.
- Promote high expectations of Māori students to succeed in education as Māori.
- Intentionally use student progress and achievement data to target resources for optimal effect and provide support for those students who are at risk of falling behind
- recognise Te Reo Māori as an official language of Aotearoa/New Zealand by ensuring that a Rumaki Reo full immersion option is available at years 9 to 11 and that Te Reo Māori is learnt by all students as a compulsory subject area in year 9, and as a robust option thereafter.
- develop an awareness of local history, story, and the role of iwi
- develop reciprocal relationships between whānau, hapu, iwi, communities and businesses and our students that promote cultural inclusion and are focused on transformative educational outcomes.

Philosophy

Our underlying curriculum philosophy is that we personalise the curriculum for our students through student focussed methodology. Our curriculum encourages students to pursue their interests across multiple curriculum areas, making links and developing their own knowledge as they go.

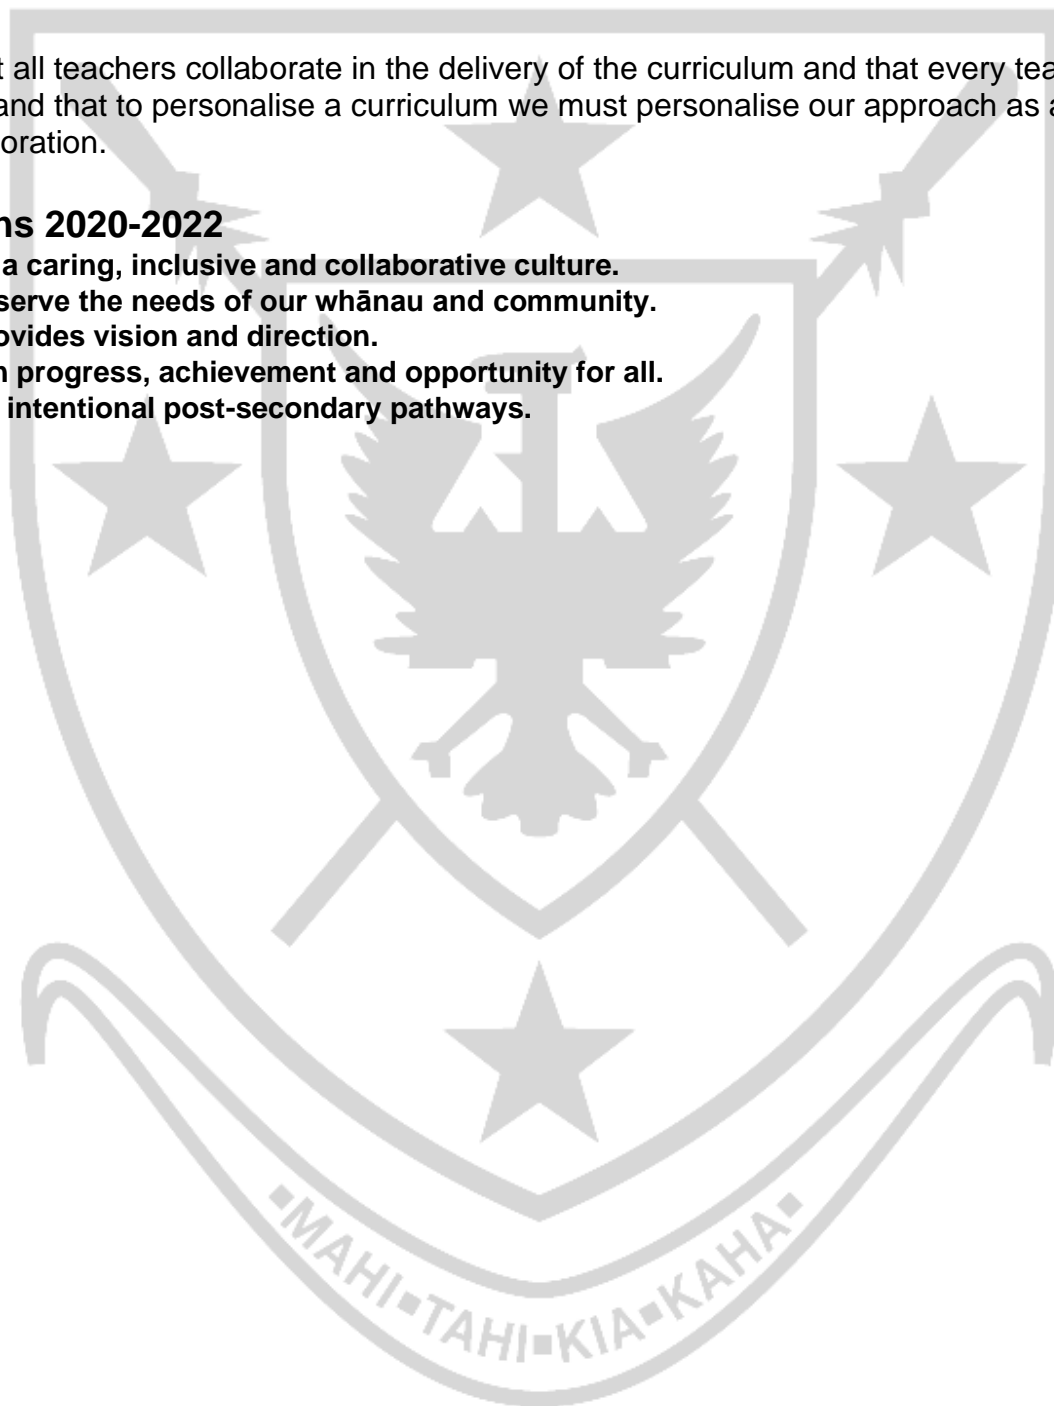

A clear focus on developing learning dispositions, values and key competencies drives our junior curriculum. In addition, we ensure our students have the skills and knowledge required to access the Senior curriculum. Our junior curriculum is focussed around an explicit theme each term that includes a fully integrated project week. Social Studies and English areas are delivered in a fully integrated manner. Modern learning environments are utilised where appropriate by a dedicated team of collaborative teachers. Technology, Physical Education/Health and Arts areas are delivered in discrete specialist rooms.

In the senior school, the focus is on developing effective transitions to post-secondary pathways. Through year 11, students continue to experience a broad-based curriculum with a fundamental expectation of success in NCEA Level 1. During years 12 and 13 the curriculum is more focussed, encouraging students to select and develop their knowledge and understanding to enable them to achieve an appropriate and successful transition to their adult lives. Every student in year 12 targets either an Excellence or Merit endorsement or a Vocational Pathways endorsement. We are committed that every student leaving Paeroa College leaves school to further education, training, or employment.

There is an expectation that all teachers collaborate in the delivery of the curriculum and that every teacher is in at least one teaching team. We understand that to personalise a curriculum we must personalise our approach as a school, and this requires deep and meaningful collaboration.

Our Strategic Intentions 2020-2022

- **We explicitly nurture a caring, inclusive and collaborative culture.**
- **We partner with and serve the needs of our whānau and community.**
- **Strong leadership provides vision and direction.**
- **Learning focusses on progress, achievement and opportunity for all.**
- **Our learners develop intentional post-secondary pathways.**

Student Engagement	Our annual strategic plan has been informed by a comprehensive analysis of our attendance and wellbeing survey data.				
School Organisation and Structures	Our Junior Curriculum was substantial re-visioned and adapted and included a Rumaki Reo pathway for the first time in 2020. Our review of these changes to our curriculum has informed our 2021 annual plan.				
Review of Charter and Consultation	Our school community has consulted on the development of this annual plan. We have sought feedback through selected focus groups including our Māori community, parents of children with special needs, staff and parent groups.				

Annual Plan 2021-Achievement Targets

Target 1- Attendance: 90% of PC students will attend 91% of the time or more and 10% will attend 80% of the time or more	<i>Paeroa College learner graduates will obtain purposeful high-quality qualifications and develop employment-ready skills</i>
Target 2- Māori student engagement: Māori student attendance will be equal to non- Māori	<i>We will work to fulfil our ethical and legal responsibilities to Tangata whenua</i>
Target 3- Pathways: All year 13 students will leave Paeroa College with a clear line-of-sight to purposeful post-secondary training, study or employment.	<i>The goals and aspirations of our students and community are varied with a small proportion of our students seeking a university pathway. This goal is to enable our students to co-construct a meaningful and robust post-secondary plan.</i>
Target 4- Literacy/Numeracy: All year 9 Māori and non- Māori students who enter Paeroa College below the expected curriculum level in numeracy or literacy will make expected progress. 80% will make accelerated progress.	<i>Research indicates that writing is key to success in NCEA. To achieve success, our students need a firm grasp of written English that they can utilise in a variety of settings.</i>

How are we going to get there? What is our pathway and annual plan for 2021?

Alongside their professional role, the Principal's key contribution to **day-to-day management** of the school is as per the management definition in the introduction to this governance manual.

The Principal is responsible for overseeing the implementation of board policy including the Charter. Reference in documentation to the school, management and staff is to be read as "Principal" for responsibility for implementation. From time to time the chair of the board acting within delegated authority may issue discretions in policies of the school, in minutes of the board, or by written delegation.

12. Principal's Performance Management Policy

It is the policy of the Paeroa College Board of Trustees to establish a performance agreement with the Principal each year* and review the Principal's performance on an annual basis with the objective of ensuring that every student at the school is able to attain his or her highest possible standard in educational achievement.

1. The review process will occur annually, providing a written record of how the Principal has performed as per the terms of the performance agreement and identifying professional development needs.
2. The Principal's performance will be formally reviewed on an annual basis by duly delegated member(s) of the boards and optionally, at the board's choice, an independent consultant who specialises in education.
3. Those delegated or contracted to perform the review process shall have written formalised instructions specifying the responsibilities of the role.
4. There will be three interim reviews, one per each term preceding the annual formal review, between the Principal and chair or delegate(s) to discuss progress.
5. The Principal will be reviewed on the criteria set forth in the performance agreement: performance objectives, professional standards, learning and development objectives and fulfilment of additional duties which require concurrence payment.
6. If the Principal and the board disagree on the performance objectives, the board, after considering the Principal's input, will amend the disputed objectives or confirm the unchanged objectives. The board's decision will be final.
7. The board chair, delegate(s) and consultant may gather information from staff, parents, or any other relevant members of the larger school community who can provide feedback on how the Principal has performed. Evidence may include surveys, self-review, teaching observation (if relevant), interviews, focus groups or documentary evidence.
8. The Principal and delegate(s) will meet for a formal interview to discuss whether the performance agreement has been satisfied with the Principal given the opportunity to discuss and comment on each criterion before a rating is given. The results will then be drafted into a report by the delegate(s) and sent to the Principal. The Principal can accept the report or dispute the report. If the report is disputed, the delegate(s) will consider the Principal's views before deciding to either amend the report, in accordance with the Principal's views, or let the report stand, with the Principal's comments attached.
9. The chair/delegate(s)/consultant will present the final report/summary back to the board as the result of the review. The Principal may/may not be present at the presentation and/but will have the opportunity to address the board. The Principal will then exit and further discussion may continue among the board.
10. The Principal will be informed personally and in writing of the final outcome following the report discussion.

- Board minutes will be taken by a non trustee paid on a commercial basis on contract.
- The quorum shall be more than half the members of the board currently holding office.*
- Only apologies received from those who cannot be present must be recorded. Trustees who miss three consecutive meetings without the prior leave of the board cease to be members. An apology does not meet the requirement of prior leave. To obtain prior leave a trustee must request leave from the board at a board meeting and the board must make a decision.*
- The chair shall be elected at the first meeting of the year except in the general election year where it will be at the first meeting of the newly elected board.*
- The chair may exercise a casting vote in the case of equality of votes, in addition to his/her deliberative vote.*
- Any trustees with a conflict of pecuniary interest in any issue shall not take part in any debate on such issues and may be asked to leave the meeting for the duration of the debate.* A pecuniary interest arises when a trustee may be financially advantaged or disadvantaged as a result of decisions made by the board. E.g. Contracts, pay and conditions etc. A conflict of interest is when an individual trustee could have, or could be thought to have, a personal stake in matters to be considered by the board.
- Only trustees have automatic speaking rights.
- The board delegates [and minutes] powers under Sections 15 and 17 of Education Act to the Disciplinary Committee.
- The board delegates [and minutes] authority to the deputy Principal in the times of absence of the Principal.

- Attendance fees are non-taxable within the agreed non-taxable amounts of \$605 annually for trustees and \$825 for the chair.

Time of meetings:

- Regular meetings at dated and times as agreed.
- Any business remaining on the agenda at the conclusion of the meeting is transferred to the following meeting.

Special meetings:

- A special meeting may be called by delivery of notice to the chair signed by at least one third of trustees currently holding office.

Exclusion of the public:

- The meeting may, by resolution, exclude the public (going into committee) and news media from the whole or part of the proceedings in accordance with the Local Government Official Information and Meetings Act unless specifically asked to stay. The wording to be used in the motion to exclude the public is found in Schedule 2A of that Act. Excluding the public is most often used to ensure privacy of individuals or financially sensitive issues.*

Public participation:

- The board meeting is a meeting held in public rather than a public meeting.
- Public participation is at the discretion of the board.
- Public attending the meeting are given a notice about their rights regarding attendance at the meeting.

- Motions and amendments once proposed and accepted may not be withdrawn without the consent of the meeting
- No further amendments may be accepted until the first one is disposed of
- The mover of a motion has right of reply
- A matter already discussed may not be reintroduced at the same meeting in any guise or by way of an amendment

Tabling documents

- When written information is used in support of a discussion, it should be tabled so that it can be examined by those present. It then forms part of the official record.

Correspondence

- The board should have access to all correspondence. Correspondence that requires the board to take some action should be photocopied/scanned and distributed prior to the meeting. Other correspondence can be listed and tabled so that trustees can read it if required.

Termination of debate:

- All decisions are to be taken by open voting by all trustees present.

Lying on the table

- When a matter cannot be resolved, or when further information is necessary before a decision can be made, the matter can be left unresolved for future discussion.

Points of order

- Points of order are questions directed to the chair which require an answer or a ruling. They are not open to debate and usually relate to the rules for the running of a meeting.

Suspension of meeting procedures:

- The board's normal meeting procedures may be suspended by resolution of the meeting.

Agenda:

- Agenda items are to be notified to the chair 4 working days prior to the meeting
- Late items will only be accepted with the approval of the board and in rare circumstances where a decision is urgent
- The order of the agenda may be varied by resolution at the meeting.
- All matters requiring a decision of the board are to be agended as separate meeting items.
- All items in the agenda are to carry a recommended course of action and where appropriate be supplemented by supporting material in the agended documentation.
- The agenda is to be collated with the agenda items placed in the agenda order and marked with the agenda number.
- Papers requiring reading and consideration will not normally be accepted if tabled at the meeting.
- Papers and reports are to be sent to the board 2 working days before the meeting

18. Committee Policy

The board may set up committees/working parties to assist the board carry out its responsibilities and due process (e.g., staff appointments, finance, property, disciplinary).

Education Act 1989, section 66

Section 66 gives the board the authority to delegate any of its powers to a special committee, except the power to borrow money. Refer to Section 66 for further information.

Board committees:

1. Are to be used sparingly to preserve the board functioning as a whole when other methods have been deemed inadequate.
2. Can consist of non-trustees. Committees must have a minimum number of 2 persons, at least one of whom must be a trustee.
3. May not speak or act for the board except when formally given such authority for specific and time-limited purposes. Such authority will be carefully stated in order not to conflict with authority delegated to the Principal or the chair.
4. Help the board (not the staff) do its work.
5. Other than the board discipline committee must act through the board and therefore can only recommend courses of action to the board and have no authority to act without the delegated authority of the board.
6. Assist the board chiefly by preparing policy alternatives and implications for board deliberation. Board committees are not to be created by the board to advise staff.
7. Are to have terms of reference drawn up as required. It is suggested that these contain information about the following:
 - purpose
 - committee members
 - delegated authority

The following committees are currently established:

- Finance
- Property
- Discipline
- Principal's Appraisal

13 Sensitive Expenditure Policy

Introduction

1. The Board agrees that it has a responsibility to ensure that all expenditure of Board funds is clearly linked to the business of the school and does not at any time provide unreasonable and personal benefit from those funds to any individual or group of individuals (staff or students).
2. The Board acknowledges that at times there are expenses which may be considered to be beneficial only to individuals or small groups of individuals. These may include expenses in relation to travel (especially international travel), or to koha, gifts and other payments to individuals.
3. The Board has determined that any expenditure which may be considered to be beneficial to individuals or groups of individuals will be carefully scrutinised before approval and will be supported by appropriate fund raising specific to that expenditure.
4. Particular reference should also be made to the Board's travel policy in considering expenditure which may benefit individuals or groups of individuals.
5. The Board has agreed on the fundamental principles of this policy and has delegated responsibility for the implementation and monitoring of this policy to the Principal (as the chief executive and the Board's most senior employee).

Principles

6. The Board requires the Principal, where expenditure may be beneficial to an individual or group of individuals, to take account of the following prior to authorising this expenditure:
 - i) Does the expenditure benefit student outcomes?
 - ii) Does the expenditure represent the best value for money?
 - iii) Is it in the budget?
 - iv) Could the Board justify this expenditure to a taxpayer, parent or other interested party?
 - v) How would the public react if this expenditure was reported by the media?
 - vi) Would there be perceived to be any personal gain from this expenditure?
 - vii) Does this expenditure occur frequently?
7. Any proposed expenditure which may benefit individuals or groups of individuals will be backed by funds which have been raised for the purpose. The funds will be raised with a full understanding of their purpose known to those contributing the funds – such as parents or other funding sources (eg. Charities). The funds raised will cover all costs (including travel and accommodation costs for teachers who may be involved).

14. Media Policy

Rationale

From time to time the Principal, members of staff, or members of the Board of Trustees may be approached or contacted by various sectors of the news media to comment on school related or other community issues from the school's perspective.

On occasion, these issues may be controversial or related to confidential matters associated with individual staff members, Board members, students or other community members.

Procedures are required to ensure that individual privacy is maintained, and that a fair, factual and balanced response is provided to genuine inquiries.

Aims

- To maintain a measure of control and accountability over the matter being reported
- To protect confidential information in accordance with the principle of The Privacy Act 1993
- To ensure that a reasoned, factually correct and balanced response is provided on behalf of the school

Guidelines

2. No individual member of staff or the Board of Trustees will verbally respond to media inquiries
3. All media inquiries will be formally acknowledged, and should the particular situation require it, professional advice, and assistance will be sought before preparing and providing a response.
4. If the inquiry is a curriculum related matter the Chairperson or nominated representative may consult the Principal to assist in preparing a response.
5. The chairperson or nominated representative will consult the Board of Trustees including the Principal before releasing any media statement.
6. All responses to media inquiries or prepared media statements shall be in writing, unless the Chairperson or nominated representative, after consultation with the Board of Trustees, decides otherwise.
7. The Principal may approach the media in order to promote the school and its activities without requiring Board Chair's approval.

Conclusion

All members of the Board of Trustees and members of Board staff are expected to adhere to the guidelines described above. 16. Equal Employment Opportunity Policy

The State Sector Amendment 1989 Act defines an Equal opportunity programme as “A programme that is aimed at the identification and elimination of all aspects of policies, procedures and other barriers that cause or perpetuate inequality in respect of the employment of any person or group of persons”.

Merit is the primary consideration for recruitment and selection, promotion and career development, training and staff development and conditions of service. Four target groups are specifically identified in the State Sector Act as they are under-represented in senior positions in proportion to their part in the community: women, Māori people, Pacific Island and other ethnic minorities, persons with disabilities.

EEO does not involve reverse discrimination. EEO quite clearly recognizes membership of a target group in addition to, not rather than, competency or merit.

Accordingly, the Principal must:

1. Ensure a senior staff person has responsibility for the EEO Programme
2. Consult employees, union representatives and local Māori community on EEO issues when appropriate
3. Establish a data base of material relevant to EEO
4. Ensure personnel policies and practices meet EEO requirements
5. Ensure job vacancies are open to all applicants regardless of gender, ethnicity or disability
6. Ensure all applicants are viewed impartially by the Appointments Committee, on the basis of merit and EEO
7. Provide staff development opportunities to enable all staff to move towards leadership and promotion
8. Report on EEO objectives annually to the Board

18. Cybersafety Policy

Rationale

Paeroa College has a statutory obligation to maintain a safe physical and emotional environment, and a responsibility to consult with the community. In addition, Paeroa College Board of Trustees has a responsibility to be a good employer.

These three responsibilities are increasingly being linked to the use of the Internet and Information Communication Technologies (ICT), and a number of related cybersafety issues. The Internet and ICT devices/equipment bring great benefits to the teaching and learning programmes, and to the effective operation of the school.

The Board places a high priority on providing the school with Internet facilities and ICT devices / equipment which will benefit student learning outcomes, and the effective operation of the school.

However, the Board recognises that the presence in the learning environment of these technologies (some provided partly or wholly by the school and some privately owned by staff, students and other members of the school community), could potentially facilitate anti-social, inappropriate, and even illegal, material and activities. The school has the dual responsibility to maximise the benefits of these technologies, while at the same time to minimise and manage the risks.

The Board thus acknowledges the need to have in place rigorous and effective school cybersafety practices which are directed and guided by this cybersafety policy.

Policy

Paeroa College will develop and maintain rigorous and effective cybersafety practices which aim to maximise the benefits of the Internet and ICT devices/equipment to student learning and to the effective operation of the school, while minimising and managing any risks.

Policy guidelines

Associated issues the school will address include: the need for on-going funding for cybersafety practices through inclusion in the annual budget, the review of the school's annual and strategic plan, the deployment of staff, professional development and training, implications for the design and delivery of the curriculum, the need for relevant education about cybersafety for the school community, disciplinary responses appropriate to breaches of cybersafety, the availability of appropriate pastoral support, and potential employment issues.

To develop a cybersafe school environment, the board will delegate to the principal the responsibility to achieve this goal by developing and implementing the appropriate management procedures, practices, electronic systems, and educational programmes. These will be based on the latest version of the NetSafe[®] programme for schools, endorsed by the New Zealand Ministry of Education. *The NetSafe[®] Kit for Schools*, including its templates for policies and use agreements, will play a central role in this process.

A process for reporting back to the board by the principal will be agreed upon and established. Frequency and content of reporting will be included.

In recognition of its guardianship and governance role in the cybersafety of the school, the board will also develop a policy relating to board trustee use of ICT devices / equipment. This will cover all use of school-owned/leased and privately owned/leased ICT devices/equipment containing school data/information on or off the school site.

Guidelines for Paeroa College cybersafety practices

1. The school's cybersafety practices are to be based on the New Zealand Ministry of Education as best practice for New Zealand schools.
2. No individual may use the school Internet facilities and school-owned/leased ICT devices/equipment in any circumstances unless the appropriate use agreement has been signed and returned to the school. Use agreements also apply to the use of privately-owned/leased ICT devices/equipment on the school site, or at/for any school-related activity, regardless of its location. This includes off-site access to the school network from school or privately-owned/leased equipment.
3. Paeroa College use agreements will cover all board employees, all students (including adult and community), and any other individuals authorised to make use of the school Internet facilities and ICT devices/equipment, such as teacher trainees, external tutors and providers, contractors, and other special visitors to the school.
4. The use agreements are also an educative tool and should be used as a resource for the professional development of staff.
5. Use of the Internet and the ICT devices/equipment by staff, students and other approved users at Paeroa College is to be limited to educational, professional development, and personal usage appropriate in the school environment, as defined in individual use agreements.
6. Signed use agreements will be filed in a secure place, and an appropriate system devised which facilitates confirmation that particular individuals are authorised to make use of the Internet and ICT devices/equipment.
7. The school has the right to monitor, access and review all use. This includes personal emails sent and received on the school's computer/s and/or network facilities at all times.
8. The school has the right to audit at any time any material on equipment that is owned or leased by the school. The school may also request permission to audit privately owned ICT devices/equipment used on the school site or at any school related activity.
9. Issues relating to confidentiality, such as sighting student or staff information, reasons for collecting data and the secure storage of personal details and information (including images) will be subject to the provisions of the Privacy Act 1993.
10. The safety of children is of paramount concern. Any apparent breach of cybersafety will be taken seriously. The response to individual incidents will follow the procedures developed as part of the school's cybersafety practices. In serious incidents, advice will be sought from an appropriate source, such NetSafe, the New Zealand School Trustees Association and/or a lawyer with specialist knowledge in this area. There will be special attention paid to the need for specific procedures regarding the gathering of evidence in potentially serious cases. If illegal material or activities are suspected, the matter may need to be reported to the relevant law enforcement agency.

19. Concerns and Complaints Policy

Purpose

To ensure that all complaints are dealt with effectively and fairly.

Policy Statement

The Paeroa College respects any complaints that may be raised by parents or caregivers, staff, students and community members. The school believes in high standards and in the pursuit of excellence in everything. The Board is keen to listen to and learn from any valid concerns raised about the school. The Board expects all complaints to be taken seriously and handled courteously.

Making a complaint

The Board expects the following steps to be taken by a complainant.

1. Contact the person whom the complaint involves.
2. If unresolved, contact the appropriate Senior Leader.
3. If still unresolved, contact the Principal.
4. If there is no satisfactory resolution from the previous steps, make a complaint in writing to the Board. Any complaint in writing must be received before the Friday preceding the monthly Board meeting or it will be held over to the next Board meeting. Any letter of complaint will be tabled at the full Board meeting unless natural justice prevents this.

There may be occasions when the steps under procedure 1 (as above) are inappropriate to follow. In these cases, it is expected the complainant will contact the Principal or Board in writing. If the complaint is in respect of the Principal, then it should be addressed in writing to the Board.

Written complaints received by the Board of Trustees

On receiving a written complaint, the Board will decide on what further action is required on a case-by-case basis. Before the Board decides to deal with a complaint it must check that the procedures outlined above have been followed. If not, it will normally return any letter of complaint to the writer and ask that they follow these first. All letters addressed to the Chair of the Board are for the whole Board. The Chair cannot act independently as to what action will be taken.

1. The Chair acknowledges letter of complaint within 7 days of receipt and the complainant is advised of the next steps in the Board process. The latter becomes part of the correspondence that will be dealt with at the next Board meeting while the public is excluded.
2. The letter of complaint is tabled at the Board meeting and considered during public excluded time and referred to relevant parties for reporting back to the Board. The Board may decide whether to deal with the matter or to appoint a committee to investigate and recommend to the Board.
3. At public excluded meetings of the Board/committee, the reports are received, and the parties may be invited to speak to their complaint or answer questions. The Board/committee considers the evidence and/or information and comes to a decision or recommendation.
4. Depending on the delegated powers of the committee, either they or the Board come to a resolution as to how the Board will respond and/or what action will be taken.
5. The Board's response and the resolution of the complaint is communicated to the parties to the complaint in writing. This constitutes the closure of the complaints process.
6. Any of the parties may request the Board to reconsider their decision. However, for such a reconsideration to take place, there must be new relevant information.

Guidelines

1. The person about whom a complaint is made will be informed as soon as practicable and given reasonable time to respond.
2. Requests for confidentiality as to identity of complainant will be respected unless natural justice demands otherwise.
3. Issues that demand immediate attention e.g. allegations of serious wrongdoing, may require a special meeting of the Board to be called.
4. Resolution or dismissal of the complaint must not be discussed before all the information is available.
5. The Board will determine if there is any conflict of interest and act appropriately if there is one.

6. The Board must exercise caution when dealing with complaints regarding staff, particularly in relation to confidentiality and processes to ensure the principles of natural justice are met. It is advisable to seek independent advice in such cases. The Board will need to consider the relevant staff disciplinary policies, employment contracts and expert advice.
7. Once the complaint process is closed, the Board will not enter into any further discussion/ correspondence on the matter.
8. A complaint regarding lack of compliance in relation to the procedure will be actioned with urgency as a new complaint rather than a reconsideration of the previous issue.
9. All complaints made by the community, parents or students will be documented and reported where appropriate. All employment relations issues will be documented and reported where appropriate.
10. Insurance documents will be kept in an easily accessible location in the event the Board needs to contact them regarding indemnity.
10. All documentation relating to the complaint will be kept in an appropriate confidential manner.

Scoping

This policy applies throughout the school.

All staff are required to familiarise themselves with Ministry of Education guidelines for registered schools in New Zealand on the use of physical restraint and to undertake appropriate professional development.

The board will ensure that any incident of physical restraint is notified to parents or caregivers and reported to the Ministry of Education. The board will ensure that parents or caregivers are notified if physical restraint is an element in a student's individual behaviour plan.

Complainants with concerns regarding use of physical restraint must follow the school's prescribed concerns and complaints procedure.

Delegations

The board delegates to the principal:

- responsibility for ensuring that adequate staff training, and support is in place
- the reporting of incidents of physical restraint to parents, caregivers and the Ministry of Education
- notification to parents and caregivers if an element of physical restraint is in a student's individual behaviour plan.

Limitations and expectations

- Physical restraint is defined as using force to prevent, restrict or subdue the movement of a student's body or part of the student's body and is a serious intervention.
- Staff shall be well versed in prevention and de-escalation strategies used to limit the need to physically restrain a student.
- Use of physical restraint is limited to teachers or authorised staff members and only where:
 - o there are reasonable grounds to believe that there is a serious and imminent risk to the safety of a student or of any other person
 - o the restraint used is reasonable and proportionate in the circumstances.
- Authorised staff are employees authorised by their employer (the board of trustees) to use physical restraint.
- Teachers and staff members who are authorised to physically restrain students shall receive suitable training and support.
- Seclusion of students is prohibited. Seclusion of students is defined as placing a child or student in a room involuntarily, alone and from which they cannot (or believe they cannot) freely exit.

Monitoring

Any instances, matters or risks related to this policy shall form part of the principal's report at every board meeting, taking care that individual students cannot be identified.

The board shall monitor the use of physical restraint, looking for trends and any action that could be taken at governance level to support reducing such incidents.

21. Bullying prevention and response policy

Rationale or Purpose

The Paeroa College Board of Trustees will take all reasonable steps to develop high standards of behaviour in order to fulfil the requirements of NAG 5. The Board of Trustees seeks to foster and develop a safe, positive physical and emotional school environment that creates a climate of trust. Students, staff, parents and whānau share the responsibility for making Paeroa College a respectful and inclusive environment.

Policy Statement

We are committed to ensuring that our school provides an environment free from bullying behaviours. All members of our school community – Board of Trustees, school leaders, teachers, staff, students and parents and whānau should have an understanding of what bullying is; and know what to do if/when bullying does occur.

Definition

Bullying behaviour is not an individual action. Our school community agrees that:

- Bullying is deliberate
- Bullying involves a power imbalance
- Bullying has an element of repetition
- Bullying is harmful.

Bullying behaviours can be physical, verbal, or social, and can take place in the physical world or digitally. Bullying is not an individual action. It involves up to three parties; initiators (those doing the bullying), targets (those being bullied) and often bystanders (those who witness the bullying).

Bullying Prevention

We recognise that real change happens when students, staff, parents, whānau and other members of the community share responsibility for making our school a respectful and inclusive environment. We will:

- Regularly (at least annually) survey our school community through Wellbeing@School and or our own survey (e.g. by using Survey Monkey)
- Identify areas for improvement through the survey findings and refine our bullying prevention action plan
- Regularly promote our expectations and successes in preventing bullying (eg, in assemblies, newsletters and Facebook, reports to the Board of Trustees)
- Hold regular professional learning and development to support our understanding of bullying prevention and response (staff meetings, parent meetings, student council)
- Establish a student Wellbeing advisory group who will support bullying prevention
- Use a range of activities including curriculum-based programmes to develop the ability for students to relate to each other (peer mediation, social problem-solving solutions, role playing)
- Promote digital citizenship throughout ICT and promoting safe use of technology (through our ICT Use Agreements)

Bullying Response, for when bullying occurs

We recognise the importance of consistently responding to all incidents of bullying that have been reported in our school and ensuring that planned interventions are used to respond to these incidents and support all involved. We will support anyone who has been affected by, engaged in or has witnessed bullying behaviour.

- All reported incidents of bullying will be taken seriously and followed up as appropriate
- An appropriate adult will support the affected students by:
 - recording a description of what happened and assessing the level of severity
 - responding to bullying incidents to activate the response and action needed

- We will involve parents and whānau as early as possible and as appropriate
- All more serious incidents will be escalated to senior leadership and we will seek advice and involvement from outside agencies where appropriate
- We will provide appropriate support for targets, bystanders and initiators of bullying behaviour
- We will regularly monitor all incidents of bullying and identify patterns of behaviour.

Raising Awareness

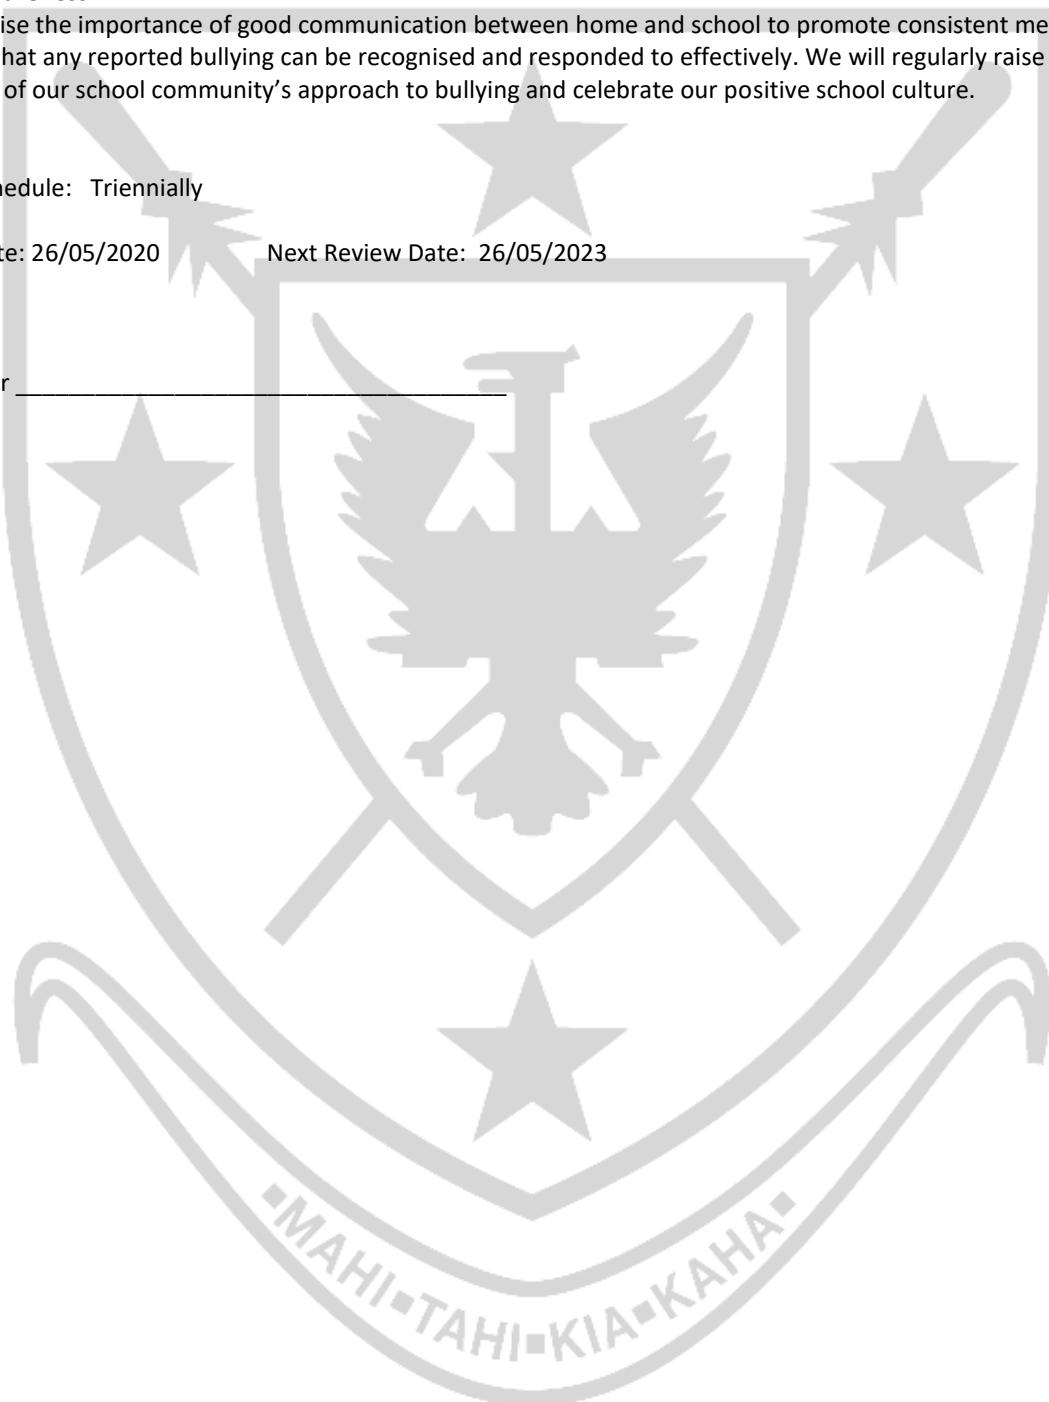

We recognise the importance of good communication between home and school to promote consistent messages and to ensure that any reported bullying can be recognised and responded to effectively. We will regularly raise the awareness of our school community's approach to bullying and celebrate our positive school culture.

22. Pandemic Policy

The Ministry of Health leads the Government's response to a pandemic. It is the responsibility of organisations to plan for and respond to a pandemic in their respective sectors and settings, based on the direction set out by the Ministry of Health. Our school has responded by developing a plan and policy that sits alongside the Six-phase strategy of New Zealand Pandemic Planning.

Purpose:

The objective of this policy is to ensure that Paeroa College has a plan to respond appropriately in the event of a pandemic outbreak that ensures the school can both meet its obligations under Health & Safety legislation and to continue to serve the school community.

1. Appointment of a Pandemic Manager

The Principal will take the role of Pandemic Manager and will be responsible for identifying other staff to assist (normally the Senior Leadership team and Health Service professionals employed through the school) and delegating tasks accordingly to ensure the pandemic plan is implemented and the risk of infection for students and staff is minimized.

The Pandemic Manager will be responsible for ensuring that an effective system for maintaining the contact database for staff and students is kept current and electronically accessible.

The Pandemic Manager is responsible for ensuring the school has adequate supplies of tissues, hand hygiene products, cleaning supplies and masks particularly during the 'stamp it out' phase (see phases of pandemic on www.minedu.govt.nz) when the school is required to be open but remain 'vigilant'.

In the event of an outbreak, the pandemic manager will be responsible for ensuring the communication strategies (section 3) are implemented in a timely manner and utilizing as many modes of communication dissemination as necessary.

2. School Closure

2.1 In the event of an active pandemic, the Ministry of Education, Waikato District Health Board or New Zealand Ministry of Health may direct the school as to whether to remain open, to close or reopen.

2.2 Notwithstanding 2.1 (above), the Pandemic Manager and Board of Trustees retain authority to close the school, in consultation with the Ministry of Education, at their discretion during an active pandemic.

2.3 If the school is directed to close, an emergency response will be activated and the community will be advised via radio, school website, Facebook and MOE website. Notices will be placed at each entrance to the school. The phone message at reception will also advise parents of the closure and where to go to access updated information. The message will advise callers that the phone will be cleared of messages twice a day. The phone message will be able to be accessed off site so that messages received can be collected by the designated staff member and responded to appropriately.

2.4 In the event of school closure, all reasonable steps will be taken to advise parents of the situation.

2.5 The Education Act (1989) gives principals and boards powers to exclude students or staff in certain circumstances; including those that have been identified as having an infectious disease. Anyone who has been excluded due to infectious disease must obtain medical clearance before returning to the school.

3. Communication Plan

3.1 The school will provide clear, timely and proactive communications to the board, staff, students, parents/caregivers, contractors and suppliers explaining how we are managing the situation at all stages of the pandemic.

3.2 Multiple forms of communication will be employed. These include but are not limited to; school website, MOE website, e-mail, notices at entrances to the school, phone, local media.

3.3 The school will maintain regular communications with the MOE and Ministry of Health and with local authorities at each stage of the pandemic. The school will follow the advice given by the Ministry of Health at every stage of the pandemic.

4. Resources

Additional resources and templates are available on the following websites:

www.minedu.govt.nz

www.moh.govt.nz

www.civildefence.govt.nz

5. Essential Activities Continuity Planning

In the event the school is closed for an extended period of time, the Principal in consultation with the Board of Trustees and the school Leadership Team will establish ongoing learning objectives for students and modify

teaching modules to deliver these activities to students via e-mail and web-based applications where possible. The goal will be to continue to support student learning in complex circumstances. Teaching and administrative staff will continue their employment as per usual.

5.1 General Assumptions:

- Paeroa College will remain open for as long as possible during a pandemic emergency.
- During a pandemic, the school will provide off site learning for the pupils if the school is closed.
- On advice or direction from the Ministry of Health, the BOT and Principal may close the school to students to help prevent the spread of pandemic illness.
- Closure does not necessarily mean that the school facilities would be closed for quarantine. Staff should attend and prepare work for children, unless a risk of cross infection to their own dependents prevents them from so doing. This will be directed by the principal and BOT
- Staff of Paeroa College will be paid normal salaries and wages during a pandemic. Where appropriate, they will come to school (with rigorous personal hygiene, social distancing and cleaning regimes in place) to carry out additional or alternative duties at school, including working from home at the discretion of the principal and BOT and in consultation with MOE.
- Staff will be expected to use their sick leave entitlements if they are sick or are required to look after sick dependents during a pandemic emergency. If and when sick leave entitlement has run out, the school will approach the Ministry of Education to approve additional sick leave.
- The school would be expected to be supported with direct advice, guidance and material from the local DHB or Ministry of Health, in the events of a pandemic emergency affecting the school community.

Purpose

- 1 The Board accepts that it has a responsibility to protect the physical and financial resources of the School. The Board has agreed that through its chief executive, the Principal, the School has a responsibility to prevent and detect theft and fraudulent actions by persons who are employed or contracted by the School or who are service recipients of the school. The Board accepts that any investigation into any theft or fraudulent actions will be conducted in a manner that conforms to the principles of natural justice and is procedurally just and fair.
- 2 The Board, therefore, requires the Principal to establish systems and procedures to guard against the actions of theft and fraud. The Principal is to report such actions to the Board Chairperson as prescribed in the procedures set out below.
- 3 As preventative measures against theft and fraud the Board requires the Principal to ensure that:

Guidelines

- a The School's physical resources are kept secure and accounted for.
 - b The School's financial systems are designed to prevent and detect the occurrence of fraud. All such systems must meet the requirements and standards as set out in the Crown Entities Act 2004 and of generally accepted accounting practice promulgated and supported by the Institute of Chartered Accountants of New Zealand.

27 Timetabling of Teaching Staff

Purpose

In the interest of fairness and legislative requirements, Paeroa College is committed to meeting all timetabling provisions in the Secondary Teachers' Collective Agreement (STCA).

Application of Collective Agreement Provisions

- The Secondary Teachers' Collective Agreement states that a full-time teacher is to be timetabled for 25 hours per week– including both teaching time (contact) and timetabled non-teaching time (non-contact).
- As the Paeroa College timetable is designed around a weekly cycle, each full-time teacher shall have a minimum of five hours non-contact time within each weekly timetable cycle.
- Trained, full-time beginning teachers in their first year are to have a timetable of 0.8 FTTE against the staffing allowance and have no more than 16 hours of allocated teaching duties per weekly timetable cycle.
- Trained, full-time beginning teachers in their second year are a timetable of 0.9 FTTE against the staffing allowance and have no more than 18 hours of allocated teaching duties per weekly timetable cycle.
- The school will provide additional non-contact time for unit holders (MU) wherein they are required to carry out specific management and/or additional responsibilities (including guidance and pastoral duties) and will in all cases attempt to provide the following:
 1. One hour per weekly cycle for holders of one permanent or fixed-term unit (MU)
 2. Two hours per weekly cycle for holders of two permanent or fixed-term units (MU)
 3. Three hours per weekly cycle for holders of three or more permanent or fixed term units (MU)
- Paeroa College will endeavour to achieve, for each individual teacher with more than one class, an average class size of no more than 26 students. This will be calculated in accordance with the STCA. When this cannot occur, the process for circumstances when class size cannot be fully implemented shall apply.
- When allocating teaching duties, Paeroa College will make reference to other matters such as class sizes, hours of duty outside of normal school hours, or other factors which make for abnormal workload and will attempt to reflect these in the total contact time allocated.
- The factors mentioned above shall be recognised when allocating non-teaching duties to teachers such as Attendance Liaison, Student mentors, school grounds duties, and other forms of supervision.
- The timetabled non-contact hours of part-time teachers shall be established in accordance with the STCA.
- Part-time staff will have non-teaching duties allocated proportional to their FTTE and will be expected to participate in staff meetings and PLD similarly proportionate.
- Part-time teachers who undertake voluntary PLD will not be remunerated for the additional hours afforded them
- Teachers who have responsibility for providing curriculum specific advice, guidance and support to a 0.8FTTE teacher are entitled to the equivalent of 1 hour per week non-teaching time for mentoring and support.

“Genuine Reason” for non-compliance with the Secondary Teachers' Collective Agreement

- Teachers may only be asked to temporarily forego their minimum entitlement to non-contact hours when:
 - i. All reasonable options have been investigated and no alternative to a reduction in entitlement can be found.

- ii. The request is made on an individual basis as a blanket request for agreement to reduction in non-contact entitlements indicates a need to review timetable structures and operation.
 - iii. There is a sudden unforeseen event.
 - iv. No casual reliever can be found after timely and appropriate efforts have been made.
 - v. On a longer-term basis, and after all reasonable endeavours have been exhausted, the timetable can only be made to operate if a teacher teaches for a specified period of time at a higher level of contact than their minimum non-contact entitlement allows.
 - vi. Teachers holding more than the minimum non-contact hours have first been asked to forego one or more of those additional non-contact hours.
- Where non-contact hours for any individual teacher cannot be implemented, the teacher will be offered the opportunity to review the timetable and suggest changes that would allow the allocation of their non-contact entitlement. If it is subsequently agreed that there is a genuine reason for it being impossible to provide the non-contact entitlement within the timetable, then the Principal or Principal's delegate and the teacher may mutually agree to compensate the teacher with:
 - i. An equivalent increase in the allocation of time for non-contact teaching duties at another point in the school year; or
 - ii. An equivalent increase in the allocation of time for non-contact teaching duties in the following school year; or
 - iii. An equivalent reduction in non-teaching or supervisory duties outside the school's timetabled teaching periods; or
 - iv. Compensatory relief cover for the teacher during that school year; or
 - v. Some combination of the above
 - When a teacher requests to forego their minimum entitlement to non-contact, their attention will be drawn to the provisions for timetabling and the considerations of this policy will be applied
