Principal's Message

Manawatia a Matariki e te whānau,

The Matariki star cluster has risen this mid-winter, ushering in the Māori New Year. This is a time to celebrate the unique place in which we live, show respect for the land we live on, and to share and grow together through traditions that continue each year. It is also a great time of year to recommit ourselves to the very best outcomes for our young people.

Many thanks to all of you for the support of our school and teachers throughout the PPTA industrial action. It is lovely that we are ending the term on a high note with full school days for all of our young people. It is awesome to hear their laughter and joy at being together. Given the days missed this year, it is ever more important that students strive to be at school and fully engaged every day. There is lots of cool stuff going on here at school, I hope no child ever misses out on any of it.

We all know that there is a clear and measurable link between school attendance and both academic and personal success; being present is the first step in accessing learning and is essential for educational success, achievement of qualifications, and positive social and wellbeing outcomes.

We are working hard every day to ensure our students can engage and learn. In particular, we are committed to the National Education and Learning Priorities (NELPs) and are focussed on those priorities that have the greatest positive impact on young people. In particular:

1. Ensuring our school is safe, inclusive and free from racism, discrimination and bullying,
2. Having high expectations and aspirations for every ākonga/learner and partnering with you to ensure their needs are met,
3. Reducing any barriers to education,
4. Ensuring every ākonga/learner gains sound foundational skills in literacy and numeracy.

Please accept this reminder that parents, caregivers and whānau are legally and morally responsible for ensuring their ākonga/learners are enrolled in school and attend every day.

For a student to be attending school regularly, they must be present at least 90% of the time. In a 10 week term, this equates to no more than 5 days of absence, one one day per fortnight, for any reason (including illness).

A student who misses one day on average a week, misses almost a whole term in a year

Please feel welcome to contact me if there is anything I, or the school, can do to help support you and your families.

Kua haehae ngā hihi o Matariki.
The rays of Matariki are spread.

Noho ora mai/ stay well,
Amy

Life Education Trust

On Thursday 20th July we have the Life Education Trust coming into the College to share with us their theatre-in-education programme with our Year 9 – 11 students.

This includes using theatre to explore the issues of peer pressure and decision making, specifically around vaping and the wider context of how social media influences our thinking and behaviours.

They will also be exploring making safe decisions around alcohol. Life Education Trust's theatre-in-education programme is performed in schools around New Zealand to engage students in topical issues for teenagers. We look forward to having them with us.

Sport Fees

Sport fees for 2023 are now OVERDUE.

If you are still to pay for sport fees, please make by 7th July or your child will not be able to play the first week back.

If unsure please speak to Mrs Kisling or email debbieg@paeroacollege.school.nz
