Principal's Message

Tēnā koutou katoa,

It has been an eventful few weeks here at the College and I would like to thank all the staff and volunteers who have given up their time to make these events possible. Congratulations to our various sports teams who have experienced success in recent competitions whether that be the touch team, motocross or equestrian to name a few. Well done to these students and the coaches on your success. It is a well-established fact that extracurricular involvement whether that be in sport or cultural pursuits are extremely beneficial to students' future success. The skills learnt in the pursuit of these activities help to form the young person into a much more rounded and capable adult.

The school formal was another great occasion and a special thanks to Sally Dustow and the student committee who put in hours making this the event that it was. The volunteers who also helped with hair, makeup and outfits are to be commended. The support provided by these people meant that the night could be as successful as it was. This was the largest school formal we have had for some time and the night went off well. Once again thank you.

We have a Paid Union Meeting on the 22nd of May which will mean an early finish for students. These meetings are covered until the Secondary Teachers Collective Agreement and can be called by the union to discuss a range of matters that impact on their members. School for the day will finish at 1:00pm to ensure that teachers can attend this meeting. Students who need to be supervised will be able to remain at school and will be supervised by other staff in the Waihou block.

On behalf of the Board of Trustees I would like to thank those parents who sent in feedback around the proposed school cell phone policy. The policy once confirmed by the BOT will be communicated to the school community in the next College Comment as well as via email to parents. Students will also be informed via school daily notices and assemblies. The policy has to be enacted by the first day of term two. As you will be well aware this is a government directed change and as a state school we are required to comply with the change.

Finally, a reminder that attendance is one of the key factors in determining student success at school. When students are absent for significant periods of time this impacts considerably on their ability to connect different concepts and creates gaps in their knowledge and skills. We would like to congratulate those students who are regularly attending school and especially those students who have made an improvement in their attendance this year. Keep up the good work, it will certainly pay off when it comes to assessments.

Ngā mihi

Acting Principal/Tumuaki

Year 9 Camp

Earlier in the Term the Year 9 students went on a three-day camp up the Maratoto Valley. There was an excellent turn out from students who were pushed out of their comfort zones and into the bush. These camps help build team spirit and school culture as they bond around the campfire, compete in challenging activities and get to know one another.

The weather worked against us for a wet night and a soggy morning. The students and staff adapted heroically to the challenges of camp life in the rain. Students dug deep into their resilience resources and made the most of activities that staff were changing on the fly.

When the sun eventually came out, everyone was able to enjoy the river and bush again. Highlights included an epic trek through the bush to a secret waterfall, visiting a giant eel and a special time hearing stories around the campfire from Matua Larn Wilkinson. We heard about the origins of Aotearoa, the meaning of Maratoto and traditional life in the Hauraki.

As we go through the year, we hope students will draw on the resilience and relationships developed on camp and make the most of their first year at Paeroa College.

Thanks to all the whānau for getting their rangatahi along and to all the staff that put a huge effort into preparing the camp.

Year 9 Pastoral Dean

Teacher Only Half Day

Please remember school closes at 12.00noon on Wednesday 10 April as there is a Teacher Only Half Day for all of our local schools.

We understand instead of the buses doing their school runs at 3.00pm it will all now be done at midday.

Travellers Programme

Paeroa College is delighted to be able to offer the *Travellers* programme to our Year 9 students in Term two of 2024.

Travellers is a small-group programme about life's journey and how young people can be supported to face challenges in their life.

This term, all Year 9 students will complete a short *Travellers* online survey. Following this, some students will be invited to take part in the programme.

The group meets during school time, with the minimum disruption to students' academic commitments.

Travellers has been running successfully in a number of New Zealand secondary schools since 2001. Our college supports the implementation of the programme as a part of our school's ongoing commitment to supporting the emotional wellbeing of our students.

If you have any questions, please do not hesitate to contact the Head of Learning Support Geri Allen geria@paeroacollege.school.nz or SENCO Loretta Goodhue - Lorettag@paeroacollege.school.nz.
