Proof of residence within the home zone will be required.

Each year, applications for enrolment in the following year from in-zone students will be sought by a date which will be published in a daily or community newspaper circulating in the area served by the school. This will enable the board to assess the number of places which can be made available to students who live outside the home zone.

### **Special Programmes**

The school operates the following special programme:

- Level 1 Māori Language Learning (Rūmaki Reo)

Students who live within the school's home zone will be enrolled ahead of out of zone students.

### **Criteria for Acceptance into Level 1 Māori Language Learning (Rūmaki Reo)**

The procedure for determining which out of zone students will be enrolled if there are more applicants than places available is as follows:

Each year the board will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The board will publish this information by notice in a daily or community newspaper circulating in the area served by the school. The notice will indicate how applications are to be made and will specify a date by which all applications must be received.

Applications for enrolment will be processed in the following order of priority:

<u>First Priority</u>	must be given to any applicant who is mana whenua (e.g., Ngāti Hako, Ngāti Tamaterā and Ngāti Tara Tokanui)
<u>Second Priority</u>	must be given to any applicant who is from the wider Hauraki rohe
<u>Third Priority</u>	must be given to any applicant who has attended Kohanga Reo or Māori immersion education (e.g., Kura Kaupapa or Rumaki class)
<u>Fourth Priority</u>	must be given to any applicant who is of Māori descent and whakapapa to other iwi in Aotearoa
<u>Fifth Priority</u>	must be given to any applicant who is the sibling of a current or a past student of the reo rua unit at Paeroa College
<u>Sixth Priority</u>	must be given to all other applicants.

If there are more applicants in the second, third, fourth, fifth or sixth priority groups than there are places available, selection within the priority group will be by ballot, similar to that undertaken for the English Language Learning roll described in the section *Out of Zone Enrolments for English Language Learning*, below.

### **Out of Zone Enrolments for English Language Learning**

Each year the board will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The board will publish this information by notice in a daily or community newspaper circulating in the area served by the school. The notice will indicate how applications are to be made and will specify a date by which all applications must be received.

Applications for enrolment will be processed in the following order of priority:

**First Priority** must be given to students who have been accepted for enrolment in the following special programme(s) run by the school and approved by the Secretary of Education up to the maximum rolls set for each programme (where applicable):

Level 1 Māori Language Learning (Rūmaki Reo)

**Second Priority** must be given to any applicant who is the sibling of a current student of the school.

**Third Priority** must be given to any student who is the sibling of a former student of the school.

**Fourth Priority** must be given to any applicant who is a child of a former student of the school.

**Fifth Priority** must be given to any applicant who is a child of an employee of the school's board, or a child of a member of the school's board.

**Sixth Priority** must be given to all other applicants.

If there are more applicants in the second, third, fourth, fifth or sixth priority groups than there are places available, selection within the priority group must be by ballot conducted in accordance with instructions issued by the Secretary under Schedule 20, Clause 3 of the Education Act 2020. Parents will be informed of the date of any ballot by notice in a daily or community newspaper circulating in the area served by the school.

**Applicants seeking second or third priority status may be required to give proof of a sibling relationship.**
