Principal's Comment

Tēnā koutou katoa,

As we head into the Kings birthday long weekend, I would like to wish everyone a safe and happy long weekend. At this time of the term take the opportunity to recharge and get ready for the final four weeks of Term 2. Take time to reflect on current goals and put plans in place to ensure you meet these goals over the coming weeks.

Attendance becomes super important at this time of the year with increased illness around us. Please keep us informed of any student absence to ensure we are aware and so we can support our students as best we can. A reminder that we start school on Friday's at 8:40am for our whole school assembly and house assemblies (alternate weeks). These are not optional and we expect all students to attend for valuable whole school messaging and house engagement.

Kia pai te rā whakatā roa,

Andrew Cameron
Tumuaki / Principal

Waikato Enviroschools Climate Summit

Mr Knyvett and a few of our students had an exciting few days at the 2025 Climate Summit where they stayed at O-Tāwhao Marae at Te Awamutu College. The camp involved three days of outdoor activities, hands-on workshops, and practical skills to inspire our passionate rangitahi to take real climate action.

There were plenty of opportunities to connect with other students, learn from experts, and explore how we can make a difference. A big thanks to the organisers from Waikato Enviroschools and to our awesome student attendees; Seth, Lexi, Bella, Jorja and Mara.

Any students who are interested in joining our Envirogroup can come to P5 during Friday lunchtimes to see what we get up to.
