Tumuaki MESSAGE

Tēnā koutou katoa,

It's hard to believe we're already at the end of Week 3, Term 4. This week has been one of celebration, where we were delighted to recognise the dedication and achievements of our athletes at the Sports Awards on Thursday. I want to extend a massive thank you to all of our volunteers—parents, whānau, teachers, support staff, and community members. Without your passion and ongoing commitment, the Paeroa College sports programme simply would not exist, nor would these vital opportunities for our students.

We are now preparing for our Senior Prizegiving on Wednesday, November 4th, from 6:00 pm to 8:00 pm. We are very excited to celebrate the achievements of our students alongside our staff and whānau. This is always a proud and important night for our kura as we acknowledge the culmination of a year's mahi.

A reminder that we have two scheduled teacher-only days this term: Friday, 13th November (Week 5), and Monday, 16th November (Week 6). These days are crucial for our teachers to collaborate and plan effectively for upcoming curriculum changes, and we greatly appreciate your support as we prepare for these transitions.

I want to take this opportunity to mihi to all of our students who have been involved with the respective CAA exams, SMART testing, and derived grade exams recently. We cannot speak highly enough of our students and how they have conducted themselves in these spaces. Formal test conditions present a challenging environment, and one that our students have met head-on. Their attitude has been fantastic, and we are seeing an excellent approach to these assessments schoolwide. A huge thank you must go to our staff who have done and excellent job preparing our students and creating the best possible environment for them to be successful.

As always, our focus remains on supporting all of our students as they head towards the final weeks of the school year. We wish all of our senior students the very best of luck with their upcoming external exams and their preparation over the coming days.

Mahi Tahi Kia Kaha,

Andrew Cameron

Tumuaki / Principal

MAHI TAHI KIA KAHA

Awesome!

Well done to all of those students who sat their CAA exams, derived grades and SMART testing!

We had some fabulous results and are super proud of all students who tried their very best with these exams and tests.

Reminder

Senior devices are to be returned to Mrs Lowe by Wednesday 4 November.

If you have not done this and do not need your device for exams, please return these before you leave for the year!
